## AUTHOR'S SUMMARY:

*The Mapleton Education Foundation is supporting literacy programs in Mapleton Public Schools with this year's "Literacy Works" Gala. Our goal is to provide and supplement literacy materials needed to ensure Mapleton students receive the quality education they deserve. The Mapleton Education Foundation has supported the school district's efforts to raise the bar on public education by providing more than \$350,000 in scholarships, grants and other priority programs to promote the success of our dynamic learning community.*

*Please join us as we celebrate the success of Mapleton Public Schools with a night of fine food, a fantastic auction, and fabulous performances showcasing Mapleton Alumni and Student talent at the "Literacy Works" Gala on October 21, 2011.*
